The ministry of Genesis Boyne was launched in 2010 to bring a gospel-centered church to the growing community of Boyne City. We have a good reputation with strong roots in the community, but we have been stalled in our mission by a pastoral transition and lack of meeting space during COVID. We are currently stable with an interim site director and a beautiful meeting space at the City Hall. We have guidance and support from the larger Genesis Church and we look forward to reinvigorating and expanding our gospel impact in Boyne City.
