Coronal Virus Phase 2 Planning Guide

Phase 1 Evaluation

Evaluate what your church has done so far in Phase 1 as you prepare for Phase 2 (Copy this chart onto a whiteboard)

What's working and needs to be carried forward to Phase 2?	What needs to be tweaked in Phase 2?	What needs to stop in Phase 2?	What needs to be added in Phase 2?

Phase 2 Planning

Step 1: Change your language

1.	What cultural language do we want to continue to emphasize?
2.	What phrases will we avoid going forward?

4.	How will we make sure everyone is invited into a group?
5.	What changes will me make to what we offer online for an audience of 10?
5.	What options will we offer? Examples • Full service • Service with no worship • Service with extended worship
7.	What will we offer for children? (See https://orangekidmin.com/coronavirus/ for free resources)

Step 3: Groups of 50

1.	 Where will groups meet? List pros and cons of each before deciding Multiple groups meeting concurrently at our building Multiple consecutive meeting times at our building At locations across the community
2.	If we are going to meet in multiple locations, what are potential sites? Who will take next steps to secure additional sites?
3.	What additional supplies and equipment will we need for groups of 50? Who will secure what we need in each area?

4.	What will we offer at each gathering?
5.	How will we do children's ministry for groups of 50? Who will create the plan?
6.	How many leaders will we need?
7.	What leaders are already in place?
8.	How will we find additional leaders?
9.	How will we train leaders?

Scalin up from groups of 50
Vhat do we think the next size group will be?
How will we scale up to that size?
How can we leverage what we are learning now when we scale up?
